Course Syllabus – Winter 2016

Welcome To Winter 2016!

Study Materials:

1. Text: Accounting 26th Ed., by Carl S. Warren; James M. Reeve; Jonathan Duchac; South-Western/ Cengage Learning Publishers

TEXT PURCHASE OPTIONS:

Option A: Buy one-third of the book from De Anza Bookstore in loose-leaf format. This option includes a quarter-long access code for the required online internet access to CengageNOW. **Homework and quizzes will be completed online at CengageNOW.** When you take Accounting 1C you will buy additional loose-leaf text pages and a quarter-long access code.

Option B: Buy only the access code directly from CengageNOW. This allows you to access the text in electronic format (**e-book only**) and also to do the online homework. If you follow this option, be sure to use the special Cengage/De Anza micro site to purchase access. Go to www.cengagebrain.com/micro/customDeAnzaCollegeACCT1 for the micro site.

Option C: Buy the entire textbook from another source. In this case, you will still need to buy the access code for online access. This is probably the most expensive option

Cengage Learning registration:

In order to get into my Cengage class, use the following course key:

E-Y84EY823UHLQN

When you register, please use your official name...the name you used when you enrolled at De Anza. You can find registration instructions on page #8 of this syllabus.

2. Calculator (no cell phone calculators for exams)
3. Scranton (4-Form # 2052)

Course Objectives and SLO'S:

This second course in Accounting is a continuation of Accounting 1A. This course will cover accounting for fixed assets, payroll and current liabilities, partnerships and corporations, long-term liabilities, cash flows, investments and financial statement analysis. (Chapters 10-17)

Student Learning Outcomes (SLO'S) for this course:

1. Demonstrate knowledge of the users of accounting information and forms or business ownership, risks and capitalization of each and prepare, analyze and evaluate the financial structure of a firm using corporate financial statements (and include the statement of cash flows).
2. Analyze and evaluate the capitalization of a firm using debt and equity and apply net present value methodology to the analysis.

Procedures:

We will cover approximately one chapter each week, we will discuss the important topics and review the solutions to the review problems. Quizzes will be completed online. Dates are in the Course Calendar at the end of this syllabus. These quizzes will give you feedback on your progress in the course so that you will be prepared for the midterm and final exams. **No make-up quizzes will be given.** Please do not ask for make-up quizzes. To accommodate unavoidable absences due to illness's or professional commitments, **your lowest quiz score automatically will be dropped.**

Midterms:

In addition to the quizzes, there will be 3 midterms. **I will drop the lowest scored midterm (not the final).** From time to time, I may adjust the quiz and exam schedule.

Final Exam:

This is a comprehensive exam covering all nine chapters we have studied this quarter. It is not an optional exam and must be taken at the scheduled time.

If you find yourself falling behind in class, see me immediately for help. It is almost impossible to catch up once you have fallen behind, and I really do want you to succeed in this class.

Course Expectations/Requirements:

This course is designed to expose the student to the basic aspects of accounting. The course requires a substantial amount of reading and problem solving. It is expected that the student attend all sessions. If one is missed it is up to the student to get the information from fellow students or from the instructor.

Homework:

Homework assignments and due dates will be posted online and are due as scheduled. To access HW assignments, go to **<http://login.cengage.com>**

On Cengage NOW, you would see for each chapter:

1. Chapter –Adaptive Study Plan
2. Chapter HW Assignment

Please be aware that your score on Adaptive study plan will not be included in your course grade. Only your score on the chapter HW assignment will be included in your course grade.

Extra Credit:

You will be granted an opportunity to earn extra credit points for completing the online extra credit assignment and also handing in the Key Terms of first 6 Chapters. Each assignment is worth 1 point (online +hand written part) and the work must be done manually. The format will be discussed in class.

Tutoring:

The Student Success Center offers individual and group tutoring, as well as several types of workshops. For more information, please check the links below:
