Greetings-

It's the time of year when I ask that the shared governance group in which you co/tri-chair complete the [Annual Governance Assessment Survey](#). This is a 3-question survey that your group is encouraged to complete collaboratively. You need only submit one survey per group by June 25. Your responses help us assess our governance process and are reported each fall in the [Educational Master Plan Update](#).

I am also requesting any updates, edits or changes to the [Governance Handbook](#). Please take a look at the page for the Governance Committee that you co/tri-chair and provide me with any updates by June 25.

I would also appreciate it if you could share the [Governance Handbook](#) with your committee members to ensure they are aware of it. It may be a nice resource for new committee members coming on board in the fall. The College Planning Committee maintains and updates the handbook, so please let us know if you have any suggestions for improvements.

If you are new to this process and have any questions, just let me know. I am also happy to attend a meeting of your group and administer the survey.

Mallory, on behalf of the [College Planning Committee](#)
