

De Anza College - Winter '17
Math 42.09 & 242.09 - Trigonometry

Instructor: Danny Tran Email: trandanny@fhda.edu
Office Hours: Tu 2:40pm-3:30pm (E32A); WTh 10:30am-11:20am (S43); Th 10:30pm-11:20pm (Email)
Prerequisite: Math 41 or equivalent (with a grade of C or better); or a satisfactory score on the College Level Math Placement Test w/in last calendar year.
Class: Mon, Wed 11:30am - 12:20pm (S45); 12:30pm - 1:20pm (S42)
Tue, Thur 11:30am - 1:20pm (S45)

Student Learning Outcome: (what you should be able to demonstrate by the end of the course):

Students should be able to formulate, construct, & evaluate trigonometric models to analyze periodic phenomena, identities, & geometric applications.

Textbook: 1. PreCalculus with Limits by Larson; 3rd edition.
2. Student Access Code to WebAssign.

WebAssign: This is an online program we will be using to complete homework assignments You can either purchase it straight from the website or purchase a textbook from the De Anza bookstore, and WebAssign access will be included. Here are steps to sign up for the online homework system:

- 1 - Go to <http://www.webassign.net>
- 2 - Click on "I Have A Class Key"
- 3 - Enter: **deanza 7731 1469**
- 4 - Fill out your personal information

If you elect not to pay for the online HW, you must submit hand-written HW to me on the due date, and I will randomly select 5 problems from each HW assignment to grade. I highly recommend that you complete the HW online through WebAssign, though! =)

Attendance: Mathematics is a very demanding subject. As a result, regular attendance is extremely important. However, I realize that, on rare occasions, unforeseen circumstances may arise that will prevent you from attending class or will force you to be late to class. Attendance will be taken each and every day. **Also, you MUST be in attendance during the entire first week of classes to ensure that you are not dropped from the course.**

Grading:	Group Quizzes (5 - Drop Lowest)	16%
	Homework (20 - Drop Lowest Section)	14%
	Classwork (12)	6%
	Exams (4)	44%
	Final Exam	20%

Grades: Here is what you need in order to obtain the grade you want:

A+	98% $\leq x$	B+	88% $\leq x < 90\%$	C+	78% $\leq x < 80\%$	D	60% $\leq x < 70\%$
A	92% $\leq x < 98\%$	B	82% $\leq x < 88\%$	C	70% $\leq x < 78\%$	F	$x < 60\%$
A-	90% $\leq x < 92\%$	B-	80% $\leq x < 82\%$				

Checking Your Grade:	Using Google Drive, you will have access to your current grade. Simply email me at trandanny@fhda.edu with your Gmail address & a code name you would like to be identified as on the document. (The code name can be anything that does not reveal your true identity - it can be anything from your favorite type of pasta to your favorite European football team). I will then invite you to the document where you can see your grade on each of the class' assessments as well as what you need to earn during the remainder of the course in order to earn an A, B, or C in the course.
Class Conduct:	Cheating is absolutely forbidden in my class. Looking at someone else's exam, helping another student during an exam, talking to anyone else except me during an exam, copying another student's work, or using an external source of information for which you were not explicitly given permission will result in disciplinary action. This disciplinary action might include anything from receiving 0 points on the exam to an F in the class. Cheating incidents will be reported to the Dean of Student Affairs. Also, I expect you to be respectful of your fellow students and of me. To that end, come to class on time, do not leave early unless you have that approved by me in advance, do not talk during class unless otherwise given permission, do not be disruptive, and pay attention during class.
Cell Phones:	I realize that many of you feel the need to stay connected at all times. If you feel that you cannot turn off your cell phone during class, at the very least place your phone on vibrate and/or silent mode. If you receive a call, quietly step outside the classroom before answering the phone. Also, please do not text, at all, during class. Otherwise, you will be asked to leave.
Group Quizzes:	There will be 5 group quizzes (16% total) throughout the quarter. They will last approximately 75 min. You are allowed to work with <u>up to 2 other people</u> during the group quiz. You must submit your own quiz. You are only allowed to use a pencil / pen & graphing calculator. You may not make up a quiz after it has been administered, but you may take a quiz early if allowed by Danny. You may drop your lowest quiz; however, you are not allowed to drop a quiz in which you cheat.
Classwork:	There will be 12 classwork assignments (6% total). Each Tuesday, you will complete a classwork assignment covering problems from the most recently covered sections in the course. Credit will be based on completion of the assignment.
Exams:	There will be 4 examinations (44% total). They will last approximately 80 min each. You are only allowed to use a pencil / pen, eraser, graphing calculator, & note card (that I will distribute) For the final exam, you will be allowed to use a pencil / pen, eraser, graphing calculator, & note card. You may not make up an exam after it has been administered, but you may take an exam early if allowed by the instructor. If your final exam grade is higher than your lowest exam, your final exam grade will replace your lowest exam.
Final Exam Date:	Monday, March 27 th , 11:30AM - 1:30PM (You MUST be able to take the final on this day & at this time. NO exceptions)

Also, to best prepare yourself, organizationally, for the course, I strongly recommend that you purchase and bring to class each day:

- 1 - A 3-ring binder
- 2 - 4 dividers (title them: lecture notes, handouts, quizzes & exams, miscellaneous)
- 3 - A notebook or loose-leaf paper to take notes in.

Get to Know your classmates:

My Expectations: Math 42 is an incredibly challenging course, so make sure you put yourself in the best situation to succeed by having terrific study habits. Below is a list of tasks you can do in order to best succeed in this course:

- ✓ Attend every class
 - Take notes & ask questions
 - Work with students during the worksheet portion of class
- ✓ Preview each lesson by skimming the lesson for 10-15 min before class meets (READ THE BOOK!)
- ✓ Review your notes after class, making sure you have understood the material
- ✓ Attend office hours
 - Compile a list of questions and/or problems to ask for help
- ✓ Form study groups to do homework, study for quizzes, exams, & the final

Math 42 & 242 Course Schedule Winter 2017 (Tentative Schedule)

Monday	Tuesday	Wednesday	Thursday
Jan 9 Intro, Syllabus	Jan 10 4.1, CW #1	Jan 11 4.1, 4.2	Jan 12 4.2, CW #2
Jan 16 MLK Jr Day - No Class	Jan 17 4.3, CW #3	Jan 18 4.3, 4.4	Jan 19 4.4, Group Quiz #1
Jan 23 4.5	Jan 24 4.5, 4.6, CW #4	Jan 25 Exam Review #1	Jan 26 4.6, Exam #1
Jan 30 4.6, 4.7	Jan 31 4.7, CW #5	Feb 1 4.8	Feb 2 4.8, Group Quiz #2
Feb 6 5.1	Feb 7 5.1, 5.2, CW #6	Feb 8 Exam Review #2	Feb 9 5.2, Exam #2
Feb 13 5.3	Feb 14 5.3, 5.4, CW #7	Feb 15 5.4	Feb 16 5.5, Group Quiz #3
Feb 20 Presidents' Day - No Class	Feb 21 5.5, CW #8	Feb 22 Exam Review #3	Feb 23 Exam #3
Feb 27 6.1	Feb 28 6.1, 6.2, CW #9	Mar 1 6.2	Mar 2 6.3, Group Quiz #4
Mar 6 6.3	Mar 7 6.4, CW #10	Mar 8 Exam Review #4	Mar 9 6.4, Exam #4
Mar 13 6.4, 6.5	Mar 14 6.5, CW #11	Mar 15 10.7	Mar 16 10.7, Group Quiz #5
Mar 20 10.7, 10.8	Mar 21 10.8, CW #12	Mar 22 Final Review	Mar 23 Final Review
Mar 27 Final (1130AM-130PM)
